Prof. C. R. Mason

United States National Museum  
Washington D.C.

Dear Sir,

Your letter, and January 29<sup>th</sup>,  
has just reached me. I consider your  
proposition regarding the exchange of publications  
an honor to me and upon my return from  
the present expedition will be very happy  
to send you whatever little efforts I have been  
able to contribute to science.

Hoping to retain your favor,  
I am yours, very respectfully

A. H. H. H.
